### Presentation of the project site

Kompass- Soziale Dienste is an owner-managed company based in Langelshiem. Kompass is active in the districts of Goslar, Göttingen, Northeim, Wolfenbüttel und Salzgitter.

The focus of Kompass' work is on outpatient help for children, teenagers and young adults. The aim is to strengthen them to such an extent that they can solve challenges on their own again after the help ends.

Kompass provides outpatient youth welfare services in accordance with SGB VIII (in particular §§ 27-35a SGB VIII)

### Thematic focus and my tasks

Intensive individual socio-educational support, Clearing/family activation, taking over family help, child contact assistance, educational assistance, looking after young people living alone, social-pedagogical family support, school coaching/school support, work with refugees in all areas and support for Ukrainians in the current situation
