Concept (extracts)

- Each of us takes responsibility for the community and for ourselves. Our school rules form the basis for this.
- We place particular value on appreciative and a friendly interaction with each other.
- We respect each other and each other's property in our school.
- We work together and support each other.
- We teachers always ensure the development of teaching and all contribute to good teaching.

Support association

- Consists of helpers from the parent body
- They work on a voluntary basis
- Examples of tasks:
 - Selling at school festivals
 - Organizing school shirts

Cooperation partners of the school:

1. KVG
2. DRK
3. SiS (senior partner in school)
4. Police

Staff members:

- 25 teachers
- 2 special school teachers
- 6 pedagogical staff
- 7 coordinators of the all-day school
- 2 social education workers
